Proposal to change the length of the school day

Dear parents and carers,

On 22nd January, I wrote to you explaining our intention to increase the school day. The proposal was to increase our hours to:

Early years and Key Stage 1 children

To finish at 3.20pm

Key Stage 2 children

To finish at 3.25pm

During the consultation period, I've spoken to many parents, and all are in favour of the new timings. There hasn't been one objection to the proposal.

The new hours will be as follows:

Early Years and Key Stage 1 children:

- The start times will remain the same. Doors will open at 8.30am and registers will be taken at 8.50am. School's official start time will be 8.50am.
- The school day will now finish at **3.20pm**.

Key Stage 2 children:

- The start times will remain the same. Doors will open at 8.30am and registers will be taken at 8.50am. School's official start time will be 8.50am.
- The school day will now finish at **3.25pm**.

There will be no change to the before and after school arrangements apart from after school club will start 15 minutes later than previously. Prices and hours will remain the same.

Please note, the Park Lane gate will be locked until 10 minutes before the end of the school day. Again, this will stop the school being used as a 'cut through' for some of the older children from the High School.
